

Dear Parent/Guardian:

*Children need healthy meals to learn. **Morgan School district** offers healthy meals every school day. Elementary lunch cost is **\$1.50**, Middle school lunch cost is **\$1.65**, and High school lunch is **\$1.80**. Your children may qualify for free meals or for reduced price meals. Reduced price is **\$.40** for lunch. At this time breakfast is not available.*

1. Do I need to fill out an application for each child? No. Complete the application to apply for free or reduced price meals. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. **Return the completed application to: Roxanne Rich, Morgan County School District, P.O. Box 530 Morgan, Utah 84050, and Phone 801-829-3411.**

2. Who can get free meals? Children in households getting Food Stamps or TANF and most foster children can get free meals regardless of your income. Also, your children can get free price meals if your household income is within the free limits on the Federal Income Guidelines.

3. Can homeless, runaway and migrant children get free meals? Please call school, homeless liaison or migrant coordinator, **Pat Peterson at 801-829-3411** to see if your child(ren) qualify, if you have not been informed that they will get free meals.

4. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, shown on this application.

5. Should I fill out an application if I got a letter this school year saying my children are approved for free or reduced price meals? Please read the letter you got carefully and follow the instructions. Call the school at **801-829-3411** if you have questions.

6. I get WIC. Can my child(ren) get free meals? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.

7. Will the information I give be checked? Yes, we may, or may not ask you to send written proof.

8. If I don't qualify now, may I apply later? Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Stamps, TANF or other benefits. If you lose your job, and receiving unemployment, your children may be able to get free or reduced price meals.

9. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to: **Superintendent Ron Wolff, P.O. box 530, Morgan, Utah 84050, and Phone 801-283-3411.**

10. May I apply if someone in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced price meals.

11. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you.

12. What if my income is not always the same? List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you get it only sometimes.

13. We are in the military, do we include our housing allowance as income? If your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. All other allowances must be included in your gross income.

14. Who will know if my children are on free or reduced lunch? All information is confidential and cannot be identified on power school at mealtime. Teachers and other students **do not** have access to this information, exception, those who handle lunch money and some administrators who handle fee waivers. **We cannot give any information on lunch applications to any outside individuals.** Your student's participation on free and reduced lunch can help to keep lunch prices low.
