

Parents:

During the October meeting the MCSD Board of Education unanimously approved a change to the morning “pick-up” schedule for students who ride the bus to Morgan Elementary School. The target arrival time at school will now be between 8:35 and 8:45. This change could possibly move the “pick-up” time for your child up to 10 minutes later than their current “pick-up” time. Until this change becomes routine, your best guide would be the “pick-up” time used during the 2010-2011 school year as this is a return to that schedule. Questions regarding this change are welcome at the MCSD Transportation Department (801) 829-6015.

This change will begin Monday, October 17th and continue indefinitely.
