

The Utah Parent Center invites you to a free workshop!

From "NO Where" to "KNOW Where" – The IEP and Transition Plan, Moving to Adult Services

As families of children and young adults with disabilities, we have learned many things – but most of us admit that we have much more to learn. The transition to adult life can leave you feeling you are "NO Where" – totally lost! Get to "KNOW Where" by learning about planning for transition to adulthood. We will discuss the process the IEP team follows to help students have a successful transition.
