FREE WORKSHOP!

Constructive Communication Tools to Build Effective IEP Teams

The Utah Parent Center, in partnership with Morgan School District, is offering for a free workshop on developing the communication skills- or "tools"- needed to build an effective IEP or school team!

Topics in this interactive workshop will include:

- Basic skills to lay the foundation of effective communication
- Constructive negotiation strategies
- Building an IEP team that works

Everyone will want these tools in their toolbox!

Pre-registration is appreciated! We look forward to your participation.
