

Hello Parents,

I spent this morning meeting with the staff at each of our schools; here are a few points that I would like to emphasize.

School dismissal is a preventive measure under the direction of the State Health Department and the CDC that is meant to minimize crowds to aide containment efforts; we will be following their recommended timeline for resuming regular classes. Our intent is to adhere to the current school year calendar, including Graduation.

Our school hours of operation will be 8 a.m. to 1:30 p.m.

Schools will be notifying families today and tomorrow about the availability of “grab-and-go” lunches, pick-up and drop-off of course materials, and access to devices. Families without computer access will be able to check out one device per household.

Teachers will also be contacting students and parents and will have course materials available by Wednesday to minimize the disruption to learning. Please contact them as soon as possible for clarifications, or if you have not been contacted by Wednesday.

Principals will be in contact with you regularly throughout this transition; please contact them with specific needs or concerns. We will keep you updated as information becomes available.

Additional information and resources are available through the Utah State Board of Education:
<https://schools.utah.gov/coronavirus>

Thanks for your continued support!

Doug Jacobs
